Bio of Katalin Cseke

Katalin Cseke has a Harvard undergraduate degree and an MBA in marketing. She worked for 12 years consulting Fortune 500 companies about advertising and marketing before joining real estate in 2003.

Katalin has been a Top Producer / Multi Million Dollar Club member every year since 2003, while working part time, generating all her leads online. Her real estate website www.KingstowneForSale.com is number 1 on many strategic search phrases on all major search engines and generates about 150-200 leads every month.

Katalin has been teaching Internet Lead generation and conversion techniques for since 2006.

Katalin is the author of Real Estate Internet Marketing Formula, a step by step manual and home study program on internet lead generation for real estate agents. She teaches agents how to achieve top rankings in natural search engines and how to drive free traffic to real estate websites.
